COMPANY PROFILE

Established in 2005, Hebei Houde Hanfang Medical Device Group Co., Ltd.(HODAF) is an enterprise integrated manufacture and trade with 20 years of experience, focusing on the R&D and manufacturing of beauty and health care products.

Our factory is located in Zhengding County, Shijiazhuang City, Hebei Province, China, which has great transportation advantage that we are close to Beijing, the capital of China, and the port of Tianjin, the largest trading port in Northern China. Covering an area of over 40,000 square meters, it has 10 advanced automated production lines. In the meantime, we have an excellent production and sales team of over 400 people.

We have our own brand HODAF, 28 patented technologies, and have passed a series international mainstream certification including SGS, CE, FDA, BSCI, ISO22716, We can provide professional OEM/ODM services for our customers and have a professional design team to support your brand creation.

Our main products include HEALTH PATCHES, DAILY CARE NECESSITIES, SKINCARE & COSMETICS, NUTRITIONAL SUPPLEMENTS. Through brick and mortar supermarkets, chain shops and online Amazon, Wish, Ebay, Aliexpress and other platforms, we distribute our products to more than 40 countries worldwide, including Asia, North America, South America and Europe. Herewith, we sincerely invite customer in China and Abroad to develop health and beauty care business and work for great prospect together! For more information about our company and products, please feel free to contact us.

WHY CHOOSE US

1 TRADE AND INDUSTRY EXPERIENCE

Established in 2005, we have 17 years of trading experience in the health and beauty industry, with customers covering the full range of channels, able to provide customers with a full range of products and trading solutions.

2 PRODUCER ADVANTAGES

We currently have three factories with 13 fully automated production lines, and they function as integrated customer service for R&D, laboratory testing, production, quality control, warehousing and logistics.

3 CUSTOM SERVICES

We can provide our customers with product customization, packaging customization, and collaborative R&D services according to their requirements.

4 SAMPLE SERVICES

We can provide test samples and custom samples for our customers.

5 QUALIFICATIONS

Our products have been certified by international quality systems such as CE, FDA, and ISO. Our factory has also passed the management system certification such as SGS and BSCI. At the same time, we are constantly cooperating with the registration of various product certificates and factory qualifications to meet the market demand of our customers.

WHY CHOOSE US

7 FREIGHT SERVICES

We maintain long-term cooperation with international express, air, sea, land, and railway freight forwarders to ensure that export trade logistics services have the advantage of price and service priority.

8 PAYMENT TERMS

We support a variety of international mainstream payment channels to ensure the security and convenience of our customers' funds; we support the following payment methods: Alibaba assurance order, Paypal, Payoneer, Alipay, Wechat pay, T/T, L/C.
